

Statement on Children with Special Needs

At God's Kids, we are committed to creating an inclusive and supportive environment where all children, including those with special needs, are welcomed, valued, and given every opportunity to thrive.

We recognize that children with disabilities may face unique challenges, but we also believe they bring unique strengths, perspectives, and gifts to our learning community. Our goal is to ensure that every child, regardless of their abilities, receives the care, respect, and individualized support we need to grow spiritually, emotionally, academically, and socially.

At God's Kids, inclusion is not just a policy—it is a core part of our mission to reflect God's love, grace, and justice in everything we do.

Empowering every child through love, inclusion, and faith.
